Commissioner's Report

1953 - 1954

During the past year the District has been operated on as economical a basis as possible, so that our expenses have closely approximated the income available from our 1954 tax levy. (See the five-year analysis at the end of the Treasurer's Report.) With the additional revenue anticipated from the tax on buildings built since last April, and by limiting our expenditures to essential items, we can keep the District tax to the \$3.50 rate that has prevailed for the past four years.

We plan to continue the necessary sidewalk repairs this fall, and to improve the steps leading to Rocky Beach from the Boulevard, opposite the south end of Willow Avenue. Repairs will be made to the railing in front of Mr. Higgins' property, where damage was caused by the severe storm last November.

We contemplate adding a new fire hydrant by the Earthrowl houses this fall at a cost of \$10.00 a year.

The District paid \$200.00 in 1953, and will pay \$150.00 in 1954, towards the care of the rock garden at the Fish Houses. This is maintained by the Garden Club, and is particularly beautiful this summer.

The mosquito spray, at an annual cost of about \$500.00, has become an essential factor in keeping this community a desirable recreational area.

The new precinct maps may be obtained by property owners from the Treasurer.

The annual District meeting will be held this year at William P. Fowler's residence on Tuesday, September 7, at 8:00 P. M.

WILLIAM P. FOWLER,
MARION STOTT,
ROBERT A. SOUTHWORTH,

Commissioners of Little Boar's Head District.
